

Blue Green Sanctuary

The Villa (Main House)

Sleeps
10

Bedrooms
5

Bathrooms
4

Minimum Stay
3 - 7 nights

The centre piece of the sanctuary, The Villa stands tall with castle-like qualities gently woven into the fertile landscape. High ceilings with warm and inviting living quarters and dining area The Villa becomes the gathering place for meals.

The open kitchen and oversized stone counter ensures the food and chef is a central part of the retreat. Custom built by chefs, the commercial grade kitchen and grand living room spills into the outdoor tropical oasis.

The infinity pool and large deck with thatched roofs and alcoves provide a true retreat experience all year round. With indoor and outdoor fireplaces the villa overlooks the centre of the property.

All rooms and the living area come with reverse cycle air conditioning.

Villa Bedrooms

V1 – Master Suite

With a fixed timber king bed, walk in wardrobe and ensuite bathrooms fitted with a shower and bath V1 overlooks the entire property in secluded privacy.

A sunlit NE facing balcony makes this a dreamy room, ideal for those willing to pay for the premium retreat experience. Or for those facilitators willing to treat themselves to the best room on the grounds.

While every bedroom has something special making sure all guests feel at home in comfort this room is in a league of its own.

Note: the room is located up stairs, in the centre of the villa.

V1

The House is truly a remarkable home, with everything you need to immerse yourself into a luxurious retreat experience.

On the ground floor, the relaxed living room and open plan stainless-steel kitchen extends through wall to wall bi-folds into a subtropical poolside oasis.

It's the open plan living here with vistas across the property, yet privacy by the pool that make it so special.

Upstairs holds the romantic main bedroom with its pitched ceiling exposing bare trusses; a king four-poster bed hand crafted out of recycled timber, accompanied by a terrazzo spa-bath with glass and marble tiles. This inviting bathroom is the prized one among the grounds.

The BlueGreen House sleeps 4 adults or 4 adults and 2 children.

Minimum Stay
3 - 7 nights

The Loft has the air of a country church, with its high pitched ceilings and reclaimed wood walls.

Perched on a quiet and private corner of the Sanctuary, the Loft has beautiful and elevated views with a panoramic vista to the west over coffee plantations. The perfect spot for sunset.

The beautiful handmade kitchen with a butler's sink set into the concrete counter, and integrated oven and stove top, flows into the open plan dining and living area, which includes a wood heater for cozy winters.

The Loft has a vibe of its own and is the more secluded part of the property.

Loft Bedrooms

L1 – 1 King Bed or 2 King Singles

The main bedroom is a light filled and high ceiling manor experience. Tall bi-folds open the room out onto the expansive vistas of the property. The attaching en-suite bathroom is accompanied with a freestanding terrazzo bath and an outdoor shower courtyard.

With an outdoor bath also available for a truly breathtaking experience.

L2 – 1 King Bed or 2 King Singles

The second bedroom in the loft above the living area is elevated and inviting. Cosy in winter and light in summer.

This room also shares the downstairs bathroom accessible through an additional door, with sliding doors to separate rooms.
